

EQ – Mission Statement

EQ is committed to being recognized as the best provider of environmental management services. To reach this goal, EQ will use innovative technologies and services that minimize waste volumes, reduce costs and protect the environment. EQ will set the standard for customer service, associate satisfaction and financial stability.

EQ – Management System Policy

We are **committed** to:

- Ensuring a safe and healthy environment for EQ associates, our customers and the public;
- Complying with all applicable laws, regulations and other requirements to which we subscribe;
- Continually improving our integrated Quality, Environmental and Health & Safety Management Systems;
- Providing a comprehensive line of environmental solutions by utilizing continual innovation and new applications of current technologies;
- Minimizing the environmental impacts of our services, operations and products, through application of sustainability principles such as recycling, reuse, pollution prevention, emergency preparedness and conservation of materials and natural resources;
- Exceeding our customers' expectations for quality, service and products;
- Educating, training and motivating our EQ Associates because they are the key to applying the management system into our operations, developing new solutions and satisfying our valued customers.
